EMPOWERING YOUTH THROUGH MUSIC & MENTORSHIP

OUR MISSION

Guitars Over Guns is a movement that empowers youth to create, succeed, and thrive through mentorship and music. We provide students with music education and authentic mentoring relationships with professional musicians to help them overcome hardship, find their voice and reach their potential as tomorrow's leaders.

WHY MUSIC?

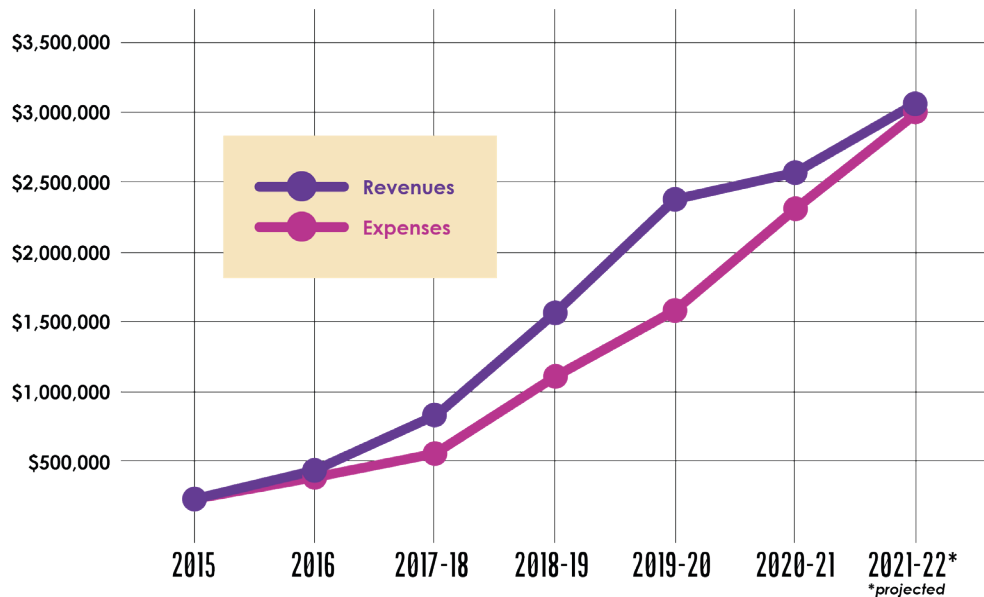

Music lessons with our mentors means educational empowerment, dignity, and mental health stability for our students. With your partnership, we are able to provide opportunities for our students to share their stories through song and dance. And that's where the magic begins.

WHAT DO STUDENTS SAY?

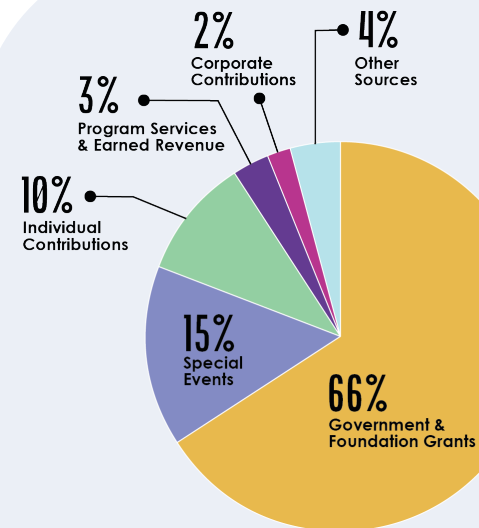

OUR IMPACT

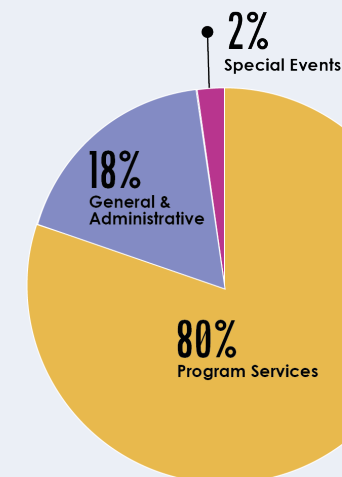

OUR GOAL IS TO SERVE 10,000 STUDENTS ANNUALLY BY THE YEAR 2030

"Guitars Over Guns has taught me to believe in others as much as I believe in myself."

—Yailin R., alumna & peer mentor

CHICAGO SUMMER SHOWCASE

Chicago's mentors and students wrap up their summer programming to showcase it to their closest supporters. This night is a purposefully intimate evening fundraising for our biggest goals of the year. The showcase features our students from the summer, long-standing professional musicians and mentors, with special guest speakers served with drinks and hors d'oeuvres.

"GOGO IN THE HOUSE"

Attendees gather in cities across the nation to enjoy a curated virtual showcase presented by our students and mentors. These sessions not only allow our students to celebrate their talent and efforts with Guitars Over Guns, but also promote an open space to connect our audiences and beyond.

MENTOR INSTITUTE

Mentor Institute takes place during the first week of August, just prior to the start of the school year. In an effort to build a community among professional musicians connected by the transformative power of mentoring and the arts, the Institute space is our foundation for building both individual and collective leadership among our frontline workers.

FILMING OF MUSIC VIDEO

Together, students from across all of our programs produce a collaborative music video. This program demonstrates the power of music as a universal language that can bridge neighborhood, cultural, racial, and other boundaries, finding common ground in the drive toward self-expression, connection, and empathy.

CHOOSE YOUR SOUND BENEFIT CONCERT

Our signature annual fundraising event that takes place in Miami is attended by key supporters including friends, donors, entertainment luminaries and community stakeholders. An evening filled with incredible performances from students, mentors, alumni, and special guests, with amazing food & drinks and an unbelievable silent auction.

MASTER CLASSES

We bring in world-class musicians to provide a deep dive into a particular discipline of art or music for students learning that same discipline. Master classes provide a great touch point for musicians who want to be involved in Guitars Over Guns but do not have the capacity to fill a mentor position.

MENTOR MIXER

Mentor Mixers provide an engaging experience for all to network, build relationships, and hear stories from our professional musician mentors who continue to connect virtually and in-person with youth across Chicago and Miami.

All of our programs and services are offered at no cost to our students.

Partnerships enable us to create opportunities for youth to thrive in their communities.
