# GUITARS OVER GUNS (GOGO) CHICAGO

Since 2014, GOGO has provided mentorship through music to over 4,000 of the city's most vulnerable youth.

Join us at Band Together to discover the incredible impact GOGO has made over the last decade and hear about our exciting plans for the future! Enjoy performances by our talented mentees, mentors, and alumni.

Participate in silent auctions, guitar raffles, activity stations, & more!

## WHY YOUR SUPPORT MATTERS:

Simply put, we cannot do this alone! Your generous partnership in financially contributing will empower Guitars Over Guns to continue transforming the lives of Chicago's youth through music mentorship. By supporting our cause, you'll help us expand our reach, enhance our programs, and foster a nurturing environment where young people can thrive creatively and personally.

## FUNDS RAISED DURING THE EVENT WILL BE USED TO:

- ♦ Launch new mental health initiatives
- ♦ Strengthen our community music wellness programs
- ♦ Build and enhance our neighborhood pipelines, ensuring youth have safe and supportive places to go after school two to three times a week throughout the school year.
